Early Withdrawal Penalty for Certificates 12 months and under is 3 months of dividends. Early Withdrawal Penalty for Certificates over 12 months is 6 months of dividends. Early Withdrawal Penalty may exceed the dividends that have been earned. Early Withdrawal Penalty for Certificates is waived where the death of the member/owner has occurred.			Dividends are paid monthly and can be distributed directly to the Share Certificate, or transferred to another Savings or Checking account owned by the member.	

* The Daily Balance must be equal or greater than amount listed here to be eligible to earn interest.
 Under very low interest rate conditions, the dividend amount could still be \$0.00 if the daily principal balance is too low. Dividends are calculated using Interest=Principal X Interest Rate X Days/365 or 366 Days.
 Rates are subject to change at any time.

Your savings federally insured to at least \$250,000 and backed by the full faith and credit of the United States Government NCUA, National Credit Union Administration, a U.S. Government Agency.
